Busby Boys Club Founder

Dear Friends,

I have released the documents in the link below:

<https://drive.google.com/drive/folders/15ZL-AdiLWWBMQaoorAM2XpWaEp8mOFmH?usp=sharing>

to identify the foundation of Busby Boys Club. As you will read the idea was first thought up in 1968 by George A Walker from Busby. He setup two teams, one for the young boys of Busby and another for the older lads.

There had not been an amateur team in Busby that played on the school park since before the Second World War, 1939. That year the Cartvale Amateurs won both the cup and the league. The founder mentioned above played in that famous team.

Busby Boys team was taken over by Alan Bruce from Busby, in the late 70's. The teams thereafter played in other parks.

Sadly against the wishes of the people from Busby the School park was destroyed by the councillors of East Renfrewshire in 2020.

Best Wishes

John A.Walker
